## **POSITION OF DIRECTOR OF STUDIES DEPARTMENT OF MODERN AND CONTEMPORARY STUDIES**

The École française d'Athènes (EFA) invites applications for the position of Director of Studies (Directeur des Études) at its department of Modern and Contemporary studies, effective September 1, 2020.

### **CONTEXT**

The Ecole française d'Athènes is a public research institution with an academic, cultural and professional mandate, placed under the authority of the French Ministry of Higher Education, Research and Innovation. The Ecole fosters research in all disciplines of the humanities and social sciences, in particular archeology and history, from Prehistory to the present day, in Greece and Cyprus -where it has permanent missions - as well as in the Balkans (see <http://www.efa.gr>).

### **JOB DESCRIPTION AND RESEARCH PROFILE**

Answering to the Director, the Director of Studies, is responsible for the modern and contemporary department, and in particular for the coordination and implementation of the research programs of the EFA. He/she will supervise the work of the research fellows of the department, coordinate and facilitate the activity of research associates whose work is linked to the École's programs, as well as ensure the implementation of collective projects involving the EFA and its partners. The successful candidate will also pursue her/his own personal research agenda. Through her/his expertise and action, the jobholder will also contribute to the elaboration of the school's scientific policy in coordination with the Director of Studies of the Department for Antiquity and Byzantine Studies, under the auspices of the Director.

- Chronological era and geographical area: Modern or contemporary Greece (including the Ottoman, Venetian or Frankish periods) and its regional context (Balkans, Eastern Mediterranean).

- Disciplinary focus: history, geography, social sciences, anthropology, literature or history of art.

- Skills: experience in setting up collaborative funded research programs whether on a national (e.g. French ANR, German DFG...) or international (e.g. ERC, Horizon 2020...) level,

in research team management, in the administration of field programs, and in doctoral student or post-doctoral fellow supervision.

- Languages: the main working language is French. Fluency in modern Greek and English would be an additional asset.
